Renzo Balmer — cv

Go on the server, Postgres underneath, fourteen years of it. I read about Rust on the train and have never onc

Was ich mache / What I do:
- A Go service that does one thing and keeps doing it — CHF 1150/day.
- Taking a monolith apart, carefully — CHF 12800, three weeks.
- On-call cover for a small team — CHF 2200 a week.
