Mirjam Oswald — cv

I go through your product with a screen reader and a keyboard and tell you, in order, what I could not do. The

Was ich mache / What I do:

- A full pass with a screen reader, written up — CHF 3200.
- Sitting with your developers while they fix it — CHF 140/hour.
- A short training for a team that has never watched someone use a keyboard only — CHF 1200.
