Jonas Brun — cv

I build the half of a product you can see. Vue and plain TypeScript, nine years, Zürich. I will not take on a

Was ich mache / What I do:

- A new order flow that works on a phone — CHF 1200/day.
- Turning a set of screens into something that runs — CHF 5800, two weeks.
- A second pair of eyes on a component library — CHF 160/hour.
